

MERCER BENEFITSU

THE ONLINE UNIVERSITY FOR EMPLOYEE WELL-BEING

Mercer understands that companies thrive when their employees thrive. We also know that total wellness is achieved through a holistic focus on one's health, wealth and career.

Mercer BenefitsU, our award-winning online education resource, is designed to help employees take the right steps today in order to enjoy a healthier tomorrow – physically, financially, emotionally and professionally.

HEALTH, WEALTH AND CAREER ARE CONNECTED

Our latest research reinforces the growing connection in employees' minds between their health, wealth and career. They're worried about the affordability of health care in the future and retiring with sufficient financial security. They also lose sleep over their monthly expenses and have unmet career aspirations.
