¹ HSAs are never taxed at a federal income tax level when used appropriately for qualified medical expenses. Also, most states recognize HSA funds as tax-free with very few exceptions. Please consult a tax advisor regarding your state's specific rules. Results may vary based on plan design, contributions and your tax rate.
Nothing in this communication is intended as legal, tax, financial, medical or marital advice. Always consult a professional when making life changing decisions. It is the members responsibility to ensure eligibility requirements and that expenses submitted are qualified expenses.

² Investments are subject to risk, including the possible loss of the principle invested and are not FDIC insured.
